Kenneth E. Shipley, Chief Executive Officer, stated: “While 2025 presented real headwinds — a slower market for manufactured homes, higher input costs driven by tariffs and inflation, and meaningful leadership transitions — Legacy navigated the year from a position of financial strength. We generated $37.2 million in cash from operations, grew book value per share to $22.20, and returned $7.6 million to shareholders through repurchases. We also added distribution and financing capabilities through the AmeriCasa transaction. We remain confident in the long-term demand for affordable manufactured housing and in Legacy’s ability to serve that need.”
