Legacy Housing Corporation Reports 2020 First Quarter Results

Financial Highlights:

- Net revenue for the first quarter of 2020 was \$38.3 million, which was a slight improvement from the net revenue of \$37.9 million earned in the first quarter of 2019.
- Our interest income in the first quarter of 2020 was approximately \$6.4 million, a 16% increase from the \$5.5 million recorded in the first quarter of 2019.
- Our consumer loan portfolio outstanding principal balance increased by \$0.6 million net in the first quarter of 2020 to \$105.6 million, inclusive of the allowance for loan loss and other discounts. Our manufactured home park loan portfolio outstanding principal balance increased by \$10.9 million to a total of \$103.3 million, an approximately 12% increase from the end of 2019. Between March 31, 2019 and March 31, 2020 our consumer loan portfolio increased by \$6.7 million and our commercial loan portfolio increased by \$40.7 million.
- The income before tax expense was \$11.6 million in the first quarter of 2020, a 26% increase from the \$9.2 million in income before tax expense for the first quarter of 2019.
- SG&A decreased in the first quarter of 2020 to approximately \$5.6 million, which is a 14% decrease from the first quarter of 2019 due to a reduction of fees paid for professional services, consulting, and advertising and marketing, and first quarter 2019 retail store expenses that were subsequently recorded into cost of sales in the latter part of 2019.
- Net income was approximately \$9.0 million in the first quarter of 2020, compared to \$7.2 million for the comparable period in 2019, which equates to a 25% increase in net income. The net income for the first quarter of 2020 included a one-time event in which the Company received \$1.075 million related to the settlement of a lawsuit against a former vendor for the Company.
- Earnings per share for the first quarter of 2020, based on diluted weighted average shares outstanding, was \$0.37 on 24,361,083 diluted outstanding shares versus \$0.29 on 24,571,088 outstanding shares for the comparable quarter in 2019. On a pro-forma basis, excluding the one-time gain on settlement in the first quarter of 2020, the earnings per share was \$0.33.

Curtis D. Hodgson, Executive Chairman of the Board, commented, "The first quarter of 2020 had us heading into the year with some momentum, but obviously the COVID-19 pandemic has all us reassessing where we stand. Product sales were largely flat quarter over quarter; however, with March being impacted by the pandemic, we were pleased with the result. We expanded our income in part by

keeping expenses down, decreasing our SG&A by 14%. We are adapting to the changing business environment, including having special sales to some of our best customers, providing special financing terms to some of those same customers, and increasing our marketing by stressing online advertising and our social media presence. Affordable housing remains a critical need with significant demand, and so, despite the short-term headwinds, I remain optimistic about Legacy's potential for growth, profitability, and long-term shareholder value."

This shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Company's securities in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction.
